

1. Multiple selection

Agosto-2017

Data Services

All

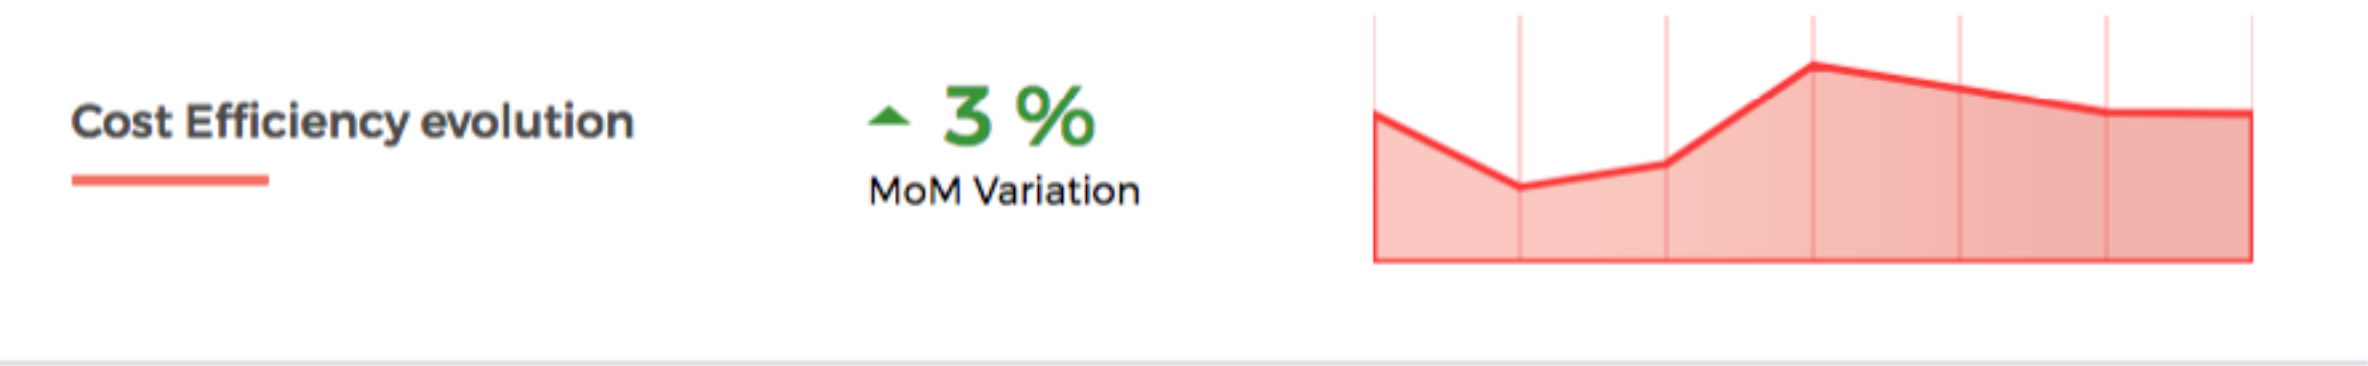

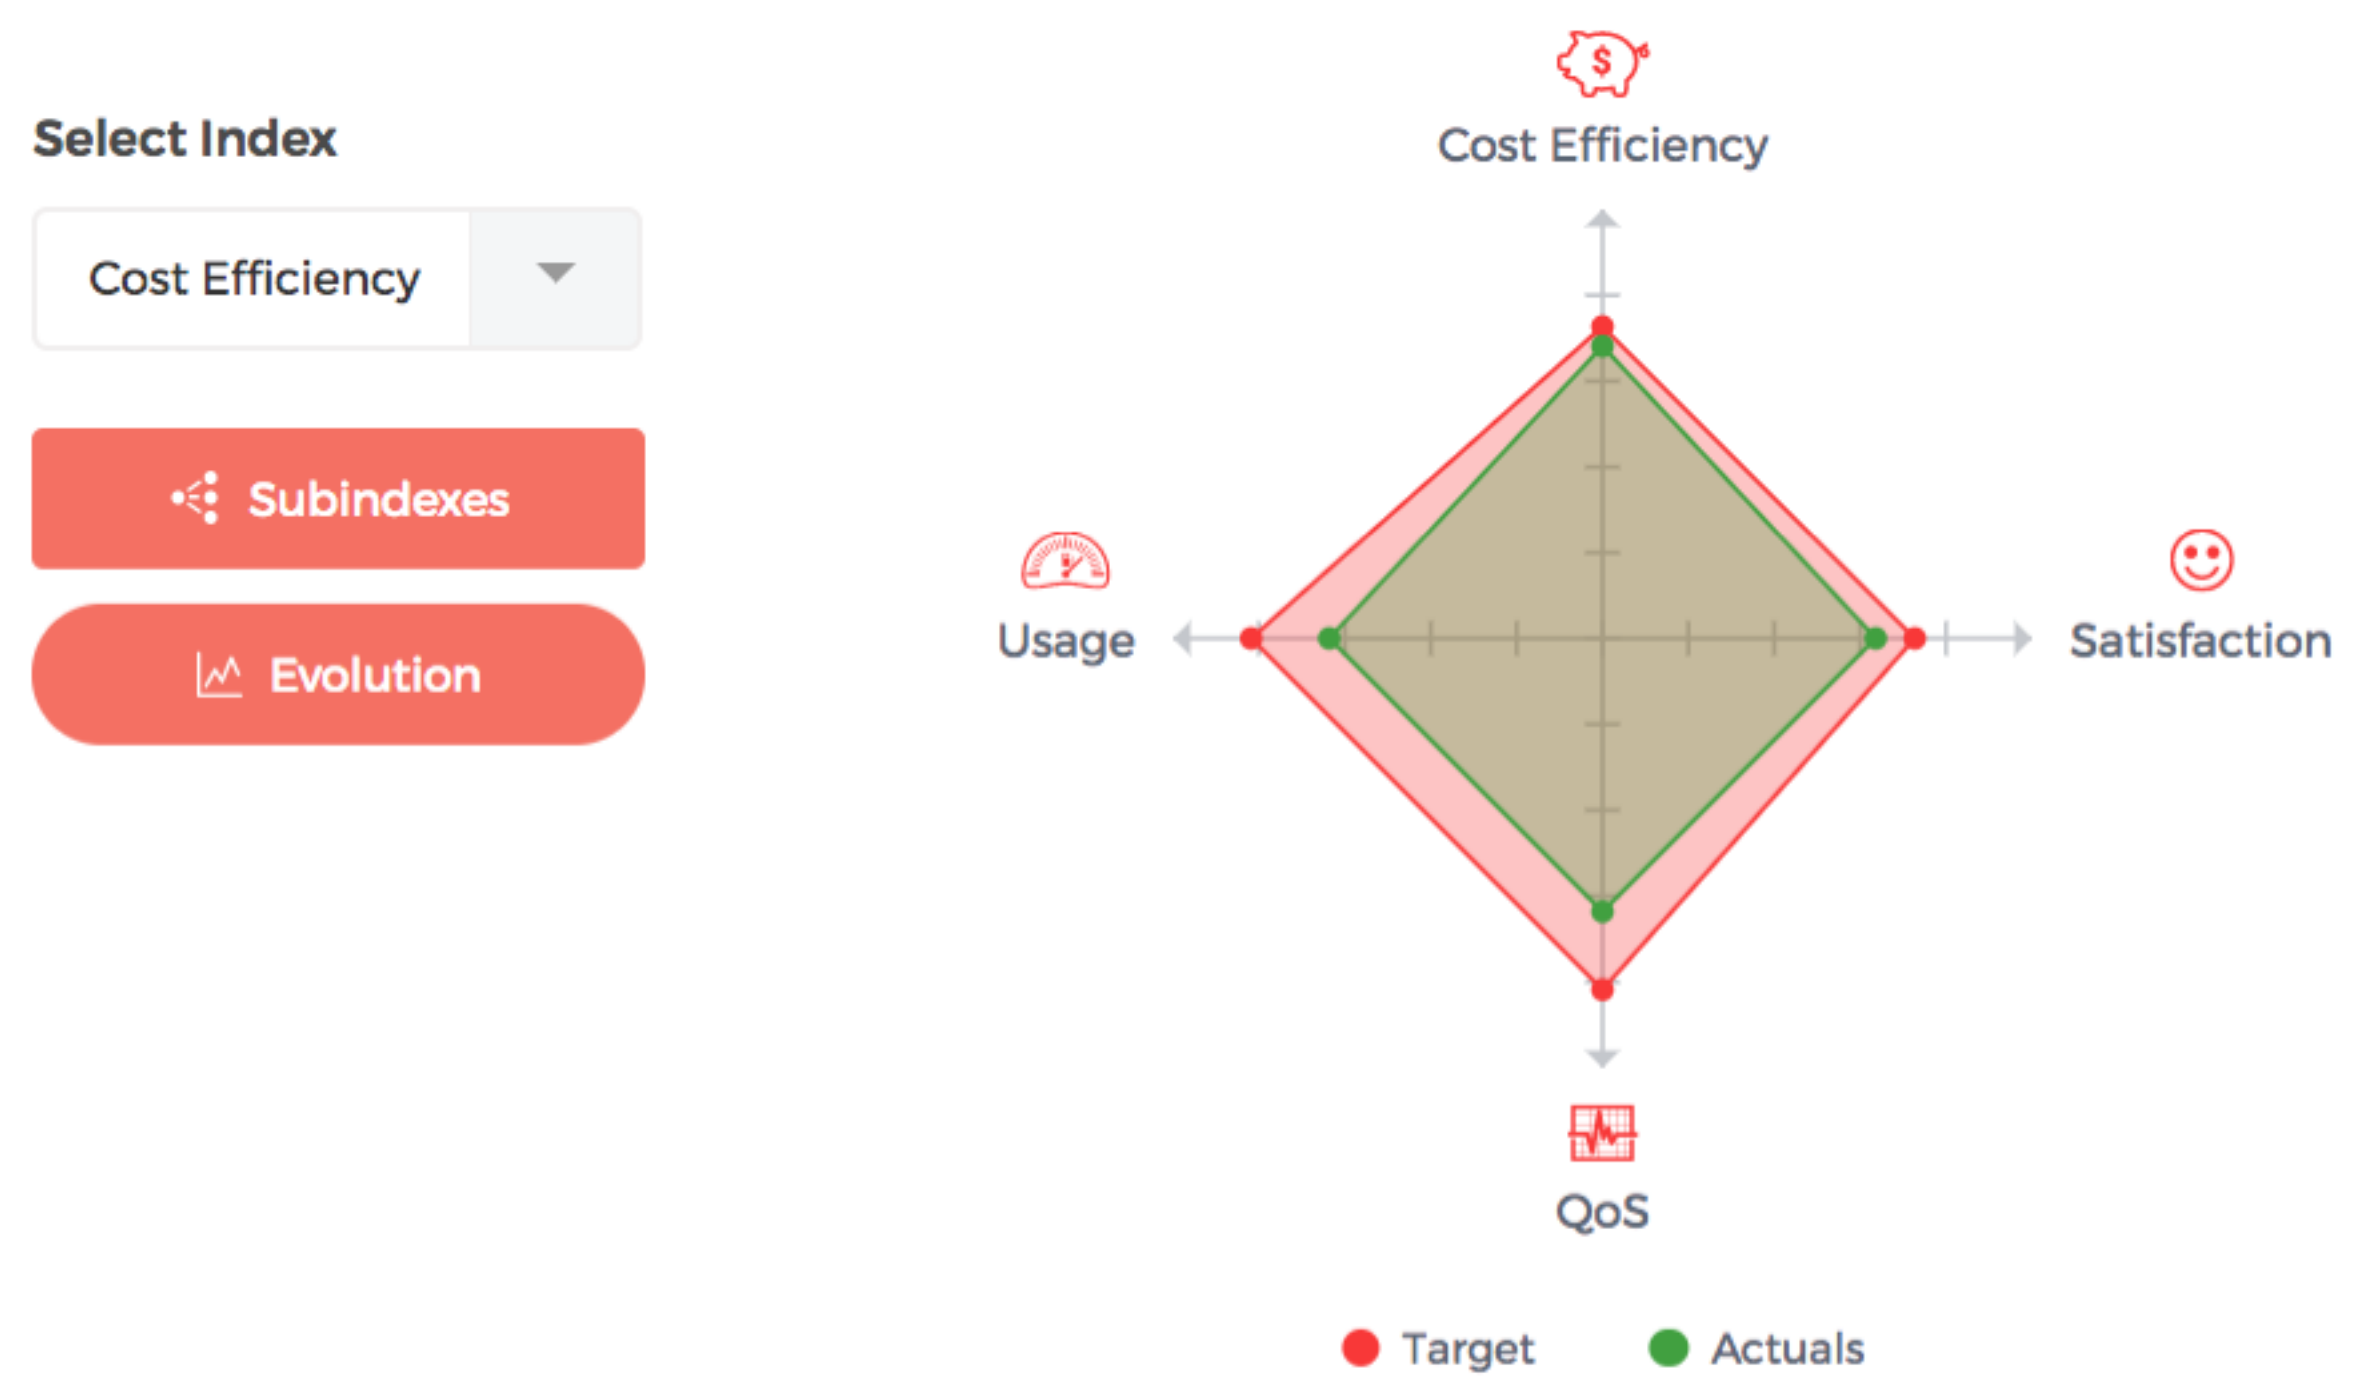

BT

UK

All

2. Index Analysis

Select one of the four Indexes and take a look at either its evolution or its building SubIndexes. Alternatively you could draw an additional web for benchmarking

Benchmarking

Peers

Competition

Market

3. Subindex Analysis

Please select one of the building SubIndexes to further drill down into its Business Elements

4. Business Elements Analysis

Please use the drop down to change the Business Element dimension or else use the buttons right of each element to either check its recent evolution, set an alarm or redraw the spider web based on that selection
